Professional Experience

Social Media Executive, Anderson Diagnostics and Labs, I worked as a Social Media Executive at Anderson Diagnostics & Labs, where I managed social media platforms, planned and executed content calendars, and developed engaging content to support the company’s brand and marketing objectives. I was also involved in Google Business Profile optimization, SEO activities, digital marketing campaigns, online review management, and performance reporting. I collaborated with internal teams to strengthen the company’s digital presence, improve audience engagement, and support overall brand awareness through effective digital marketing strategies.	05/2026 – 09/2026 Chennai
Digital Marketing Executive, APD Group of Companies, I am working as a Digital Marketing Executive at APD Group of Companies, primarily focusing on performance marketing and overall digital marketing activities. I plan, execute, and optimize paid campaigns across Google Ads, Meta, LinkedIn, Twitter, and affiliate channels, with a focus on lead generation, audience targeting, and campaign performance. I also handle social media management, SEO, email marketing, content strategy, and analytics while coordinating with team members to support effective campaign execution and business growth.	10/2024 – 03/2026 Chennai
Digital Marketing Intern, Why Global Services, I have gained hands-on experience in digital marketing through SEO, SEM, and Social Media Marketing activities. I have worked on keyword research, on-page SEO, content optimization, backlink building, and directory submissions to improve online visibility. I have also supported digital marketing campaign execution and monitoring, created social media creatives using Canva, and assisted with video content development for Facebook, Instagram, and YouTube. This experience has helped me build a strong foundation in digital marketing, content creation, and online brand promotion.	06/2024 – 10/2024 Chennai
